

## **NOTICE OF PUBLIC WORKSHOP 2018 PM2.5 ATTAINMENT PLAN**

The San Joaquin Valley Air Pollution Control District invites you to attend a public workshop co-hosted with the California Air Resources Board to present, discuss, and receive feedback on the *2018 PM2.5 Attainment Plan* at **5:30 PM on Tuesday July 31, 2018**.

This workshop is the latest in the District's robust public process to develop an attainment strategy to address multiple PM2.5 standards including holding a number of public meetings, public workshops, and Public Advisory Workgroup meetings.

This workshop will provide an update on continued efforts in air quality attainment modeling, defining the proposed attainment strategy, and the remaining steps for development of the comprehensive plan. This will include a review of potential District and ARB regulatory and incentive-based control measures and air quality modeling activities.

The public workshop will be held at **5:30 PM on Tuesday, July 31, 2018**, and may be attended in person at the District's Fresno office (1990 E. Gettysburg Ave, Fresno, CA 93726), via video teleconference at the District's Modesto office (4800 Enterprise Way, Modesto, CA 95356) or Bakersfield office (34946 Flyover Court, Bakersfield, CA 93308), or via webcast at <http://www.valleyair.org/webcast>.

Forthcoming documents for this workshop and additional information will be made available at <http://www.valleyair.org/pmplans/>. If you are unable to review the documents online, a paper copy can be obtained by calling (559) 230-6000 or by faxing your request to (559) 230-6064.
