

West Hills Lemoore to offer free emissions, diagnostic tests

By Rory Appleton, staff writer

The Fresno Bee, Friday, February 27, 2015

West Hills College Lemoore will offer free car emissions tests and diagnostic inspections from 9 a.m. to 3 p.m. March 7 for Valley residents whose vehicles have failed the tests for more than six months.

Valley Clean Air Now and the San Joaquin Valley Air Pollution Control District will offer the tests in Parking Lot A of the college. The first 525 vehicles that qualify after the free emissions test and still don't pass will receive a \$500 voucher for repairs at a participating STAR smog shop.

Free food and drink will be offered at the event.
